SOUTHERN DISTRICT OF NEW YORK-----X  
UNITED STATES OF AMERICA

-v-

OSCAR LEMUS,

STIPULATION IN SUPPORT  
OF APPLICATION FOR  
7<sup>TH</sup> OR SUBSEQUENT  
ORDER OF CONTINUANCE AND  
10<sup>TH</sup> ORDER OF CONTINUANCE

Defendant.

24 Mag. 02754  
-----X

The United States of America and the defendant jointly request and agree that the time period from **5/7/2025** to **6/4/2025** be excluded from the computation of the period within which an information or indictment must be filed, pursuant to Title 18, United States Code, Section 3161(b) and (h)(7). The parties submit that there is good cause for an additional exclusion of time. The defendant is charged with a violation of Title 18, United States Code, Section 2251(a) that carries a mandatory minimum of fifteen years' imprisonment, and violations of 2422(b), that carry a mandatory minimum of ten years' imprisonment. The defendant is detained. The parties are exploring a possible disposition of this case prior to trial, and defense counsel is in the process of preparing a submission concerning a potential disposition. Defense counsel had hoped to complete the submission within the last 30 days but was not able to do so, given the press of other time-sensitive matters and because she is still in the process of obtaining material for the submission from the defendant's family members. She expects to be able to make the submission within the next 30 days.

By the following signatures we agree and consent to the exclusion of time noted above:

The defendant understands that he/she has a right to be charged by indictment or information, and to have a trial before a judge or jury, within a specified time (excluding certain time periods) under the Constitution and Rules and Laws of the United States identified above. The defendant consents and agrees to the above request. **Defense counsel has discussed this stipulation with the defendant and has the defendant's authorization to sign on his behalf.**
